About Us

Tamika D. Holmes, MBA, MHRM, ED Candidate

owns and founded Divine Consulting Firm, LLC, a Career, Business, & Nonprofit Education, Training, & Consulting Firm. She brings over 25 years of experience and expertise in career, business, and nonprofit education, development, and consulting. She provides the necessary tools and services to clients through the disciplines of Human Resource Management, Business Administration, and Nonprofit Management. Tamika has a creative and

zealous desire to help clients, companies, and consultants with their career, business/ nonprofit, and educational needs. Because her expertise is relied upon so heavily she branches out to help organizations with strategic planning sessions for their career development and training programs.

Core Competencies

1. Business and Nonprofit Development Education

Our education services cover a range of topics, including:

- Startup Essentials: From idea conceptualization to business planning and execution.
- Nonprofit Fundamentals: Navigating the unique challenges and opportunities of nonprofit organizations.
- Strategic Growth: Developing strategies for sustainable expansion and development.
- Financial Literacy: Understanding key financial concepts for effective decision-making.

2. Sustainability Plans

Our sustainability services include:

- Environmental Assessments: Identify eco-friendly areas.
- Green Initiatives: Strategies to reduce environmental footprint.
- Social Responsibility: Communities and stakeholders, benefits.
- Long-Term Sustainability Roadmaps: Ongoing sustainable practices.

3. Human Resources

Build a strong workforce and nurture a positive work environment through effective HR strategies. Our human resources services include:

- Recruitment and Onboarding: Finding and integrating top talent into the organization.
- Employee Training and Development: Enhancing skills and fostering growth.
- Performance Evaluation: Implementing fair and insightful performance assessments.
- Employee Relations: Navigating workplace dynamics and conflict resolution.

4. Consulting

Offer expert guidance and insights to organizations seeking to overcome challenges and achieve their goals. Our consulting services include:

- Business Strategy: Crafting effective business plans and growth strategies.
- Operational Efficiency: Streamlining processes for improved productivity.
- Organizational Restructuring: Guiding through changes for enhanced performance.
- Performance Analysis: Identifying areas of improvement and optimization.

5. Project Management

Ensure the successful execution of your clients' initiatives through efficient project management practices. Our project management services cover:

- Project Planning: Defining objectives, scope, and resources.
- Timeline and Milestones: Creating realistic project timelines and tracking progress.
- Risk Assessment: Identifying and mitigating potential project risks.
- Collaboration and Communication: Facilitating seamless team coordination.
